

Monthly Theme:

My Heavenly Father Loves Me

Monthly Scripture: John 3:16

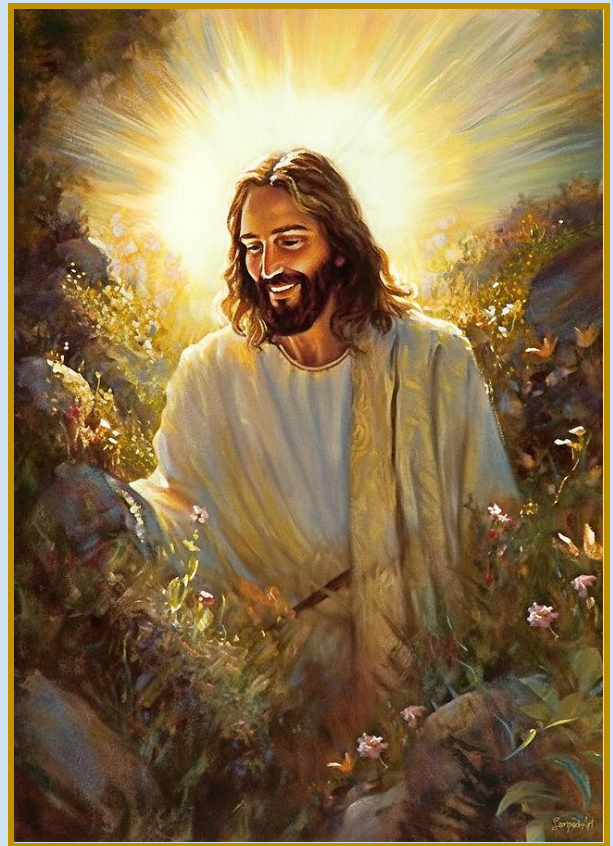

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

PRESIDENCY MESSAGE:

Happy New Year sisters! I love how the new year brings a renewal of focus and commitment to various aspects of our lives. As we make our goals for 2024, I hope that we can include spiritual goals as well! See the end of this newsletter for our updated Relief Society goals for this year. Maybe you can use some of these to get you started on your own!

Our theme for the year is Alma 37:6 which reminds us that by small and simple things are great things brought to pass! Just as small drops of water can erode a mountainside over time, small injections of time spent with Christ throughout your day can create huge changes in your and your family's lives. What can you do to make time for Him this year? No matter what stage of life we are in, we can get creative and find small and simple ways to bring Christ into our picture.

I also hope that we can focus on looking for Christ's hand in our lives this year. I know that if we believe He is there helping us and search for Him, that we will find Him! Having faith and trusting in Him attending us will help us to feel His love for us more fully. We also will be able to see all the tender mercies he provides us more clearly, even in hard times. I love you all and hope that we can all grow in Christ this year! MK

MINISTERING MOMENT:

"I have had many opportunities to minister and serve my fellow man. It is at those times when I feel that Heavenly Father lightens my burdens. President Russell M. Nelson is the prophet of God on the earth; he is a great example of how we should minister to others during difficult trials."

"Our Savior, Jesus Christ, understands our pains and our afflictions. He wants to ease our burdens and comfort us. We must follow His example by serving and ministering to those with even greater burdens than our own"

~ Elder Moisés Villanueva

MINISTERING CHALLENGE:

Lighten the load of sister you minister to. Pray to know how you can do so.
